

Between Past and Future: Oral History, Memory and Meaning

Entre el Pasado y el Futuro: Comprensión de la Historia y Memoria Oral

XVI. International Oral History Conference
Prague, Czech Republic
7 – 11 July, 2010

CALL FOR PAPERS

Papers are invited from around the world for contributions to the XVIth International Oral History Conference hosted by the International Oral History Association in collaboration with the Czech Oral History Association and the Institute of Contemporary History of the Academy of Sciences, Czech Republic.

This year our attention will focus on finding and making meaning of the past and human identity through oral history. We will focus on number of research fields where oral history can contribute to better understanding not only of our past but our lives in general. Also, for the first time our conference will take place in an ex-totalitarian country. This enables us to analyse the specific role of oral history research in societies where other, especially official records about the past have been submitted to censorship or have been discarded.

We encourage scholars all around the world and all those who have worked with oral history in a wide range of settings such as museums, heritage agencies, academic institutions, law courts, radio and television, performing arts and community projects to participate in XVI International Oral History Conference in Prague, Czech Republic.

PROPOSALS

Proposals may be for a conference paper or a thematic panel. Only those proposals clearly focused on oral history will be given consideration. Proposals will be evaluated according to their oral history focus, methodological and theoretical significance and relevance to the conference theme and sub-themes.

Individual papers - these will be grouped by the conference organizers into panels or workshops with papers which have a similar focus

Thematic panels - proposals for a thematic panel should contain no more than four presenters, representing different countries

During the conference **Special Interest Groups** will take place. These network sessions are intended for oral historians to meet, establish contacts, share resources and ideas. The places and times of SIGs will be announced in the programme of the conference. Suggestions and offers about possible themes are invited (please contact the local organisers).

Master classes led by internationally recognized oral history scholars and practitioners will be held before the Conference. To apply to these paid classes or workshops, please follow the Master Classes link at our website.

TRAVEL SCHOLARSHIPS

The International Oral History Association (IOHA) has a small Travel Scholarship Fund aimed at providing partial financial support for travel to and/or accommodations at the Conference, particularly for those participants from developing countries. Unfortunately, the fund is small so only a part of the costs can be covered. Therefore we suggest the potential applicants to start their fundraising at the same time of sending in their paper proposal. All IOHA Scholarship applicants will be asked to explain from where else they expect funding.

To be eligible for a travel scholarship, candidates must first have their paper proposals accepted. To receive a scholarship, finalists must submit their final paper by the published deadline.

Related information ON IOHA Scholarship and application forms will be available on the IOHA Website (<http://www.iohanet.org/index.html>) from May 2009.
